**THE ATM DEMANDS TRANSPARENCY FROM THE DEPUTY PUBLIC
PROTECTOR, ADV GCALEKA**

The ATM and all the other parties participating in tomorrow's application to challenge the continuation of the unfair enquiry and the illegal suspension of the Public Protector have just been informed that Adv Gcaleka wants to seal Ramaphosa's answers to Adv Mkhwebane's 31 questions on #PhalaphalaFarmgate.

The ATM will inform the court tomorrow that Gcaleka's attempts to hide the responses from the public and the complainants must be rejected.

South Africa must not be subjected to another bout of sealing like it happened with the CR 17 Bank Statements.
